# Run To Windy Ridge ---Picnic in the BLAST ZONE!

## **"Windy Ridge Picnic in the Blast Zone"**

Visit Mount St. Helen's backside and picnic in the blast zone with your friends. Avoid the freeway and take the Mountain Highway. Highway 7 between Roy and Morton has a few fun twisties but the real attraction is the trip from the cutoff on White Pass SR 12 then turn right at Randle onto SR-131 Woods Creek Road. Follow the signs and NF-25 to MT. St. Helen's National Volcanic Monument up to the right turn at NF-99 which winds its way up to the Windy Ridge Viewpoint. NF-99, WOW outstanding twisties for miles and incredible views. On a clear day you can see Mt. Adams, Mt, Hood, and of course Mt. St. Helen all at the same time. **Set up a poker run just to add some interest and excuses to stop and take some cash off your friends. Poker run or not this is an incredible ride.**

Ride Safe and have Fun,

Daryl Ruff
